Subj: SDA II OUTAGE AND REVISION TO PAYROLL CUTOFF FOR 01 OCT 2003 PAYDAY

Ref: (a) [E-Mail ALPERSRU AC/02](#)

Introduction	This E-mail ALPERSRU announces a failure of the SDA II system and a change in the polling cutoff for the 01 October 2003 payday.
<hr/>	
Discussion	The SDA II system suffered a major hardware failure on Wednesday, 17 September 2003. <u>The failure resulted in the loss of all transactions and approvals created on 17 September 2003.</u> The system has been repaired and is now available for use.
<hr/>	
PERSRU Action	PERSRUs must recreate and/or re-approve any SDA II transactions originally input or approved on 17 September 2003.
<hr/>	
Revised Cutoff	<p>The cutoff for transaction input for the 01 October 2003 payday is changed to 2100 hours, Monday, 22 September 2003, to facilitate processing SDA II transactions into PMIS/JUMPS.</p> <p>Final update will be run on Tuesday, 23 September 2003.</p> <p>The original cutoff date, published in reference (a), was 21 September, with final update scheduled to run on 22 September.</p>
